It's a wrap! We bring you a brief lowdown on paper, cardboard and gift box innovations seen at LUXE PACK Monaco this week.

Integrating eco-design in all of its new packaging solutions, [Cosfibel](#) is offering all-cardboard boxes where magnets are replaced by a patented closing system, playing on the thickness and the cut of the material and producing an audible click when closing. Among its other creations, a vanity bag made of washable paper with a woven paper ribbon.
